

Summer Camp Registration

It is time to register for Camp and the process has changed this year. All camp registration and paperwork will be done online only. You will pay the \$30 non-refundable deposit directly to AG Kansas when you register.

Once we have been notified of your registration, we will contact you with additional information and you'll pay the remaining balance to Hope Church. **We are also excited to be able to offer each camper a \$100 scholarship toward the balance of their camp if registered by the deadline below.**

Follow these instructions very carefully.

- Have your child's **health insurance** information and a **payment method** for your \$30 non-refundable deposit ready.
- **Choose the appropriate camp** by scanning the QR code or visiting hopekansas.church/events. Each camp is a separate registration, but you may register more than one camper for that camp if needed.

High School Camp 2 (entering 9th thru 2022 graduates)

Monday, June 13 - Friday, June 17

\$240 (if registered by May 2; \$260 after that date)
